

Battery Chainsaw

Model: G40CS30

40V

Greenworks' G40CS30 is the seamless replacement to gas chainsaws! The 30-cm bar provides impeccable cutting performance. Not only is it lightweight, but also extremely easy to use; ideal for felling smaller trees or cutting minor branches. Features a two-button safety operation to avoid any accidental start-up and low noise levels allowing you to work without disturbing neighbours, ideal for domestic woodcutting.

SPECIFICATION

Oiling System	Automatic
Chain brake	Electric
Tool-less chain tension	Yes
Sound power level	96 dB
Sound power level uncertainty	3 dB
Sound pressure	91 dB
Sound pressure level uncertainty	3 dB
No. of cuts (2Ah)	65 cuts on 10cm wood
No. of cuts (4Ah)	120 cuts on 10cm wood
Weight	2.74 kg

PACKAGE INCLUDED:

CHARGER
MODEL: G40C

BATTERY
40V LITHIUM-ION
MODEL: #29727

Features:

- 30 cm Oregon bar and chain.
- Light weight and smooth running but with a ferocious performance – this is the perfect branch and limb chainsaw for arborists working aloft.
- Electronic chain break.
- The bar and chain can be changed without the use of tools.
- Chain tension adjustment also requires no tools, so you can keep working with the minimum of interruption.
- Automatic lubrication, with translucent oil tank. At-a-glance checking of correct lubrication levels ensures durability and working life of the chain.
