

HUSQVARNA LC 19

A versatile lawn mower with a larger 48cm (19") cutting deck, powerful DOV four stroke engine and four cutting blades to give a superior cut and finish to your lawn. Features include dual ball bearing wheels, comfort grip folding handles with quick action cam locks, safety zone starting, large plastic catcher and ten cutting heights. Comes complete with mulch insert.

Efficient cutting

The combination of cutting deck design and four swing back blades

Robust design

Heavy Duty Alloy cutting deck, heavy duty steel cutting height segment, U shaped lower handle support and dual ball bearing wheels secured by locking nuts ensures durability in even the toughest conditions.

Two-in-one cutting system

Excellent versatility thanks to two different cutting systems: collection and BioClip® (mulching). Supplied standard with a grass collector and BioClip® mulch insert.

Large collector

Large easy to handle collector.

Cutting height adjustment

Central cutting height adjustment

Comfort handles

Upturned handles provide optimal hand and arm position while cutting plus comfort grips help reduce vibration and fatigue.

Additional features

Folding handles

Quick action cam lock levers for fast and easy transport or storage.

Large wheels

Large 210mm wheels for less effort and rubber tread for durability.

Zone starting

Zone starting gives a comfortable starting position

Double ball bearing wheels

Ensures the mower rolls easily, even after many years of use.

Briggs & Stratton DOV engine

Briggs & Stratton DOV four stroke engine with Ready Start®.
