

**EXPERIENCE THE
FLAVOURS CHARCOAL
BARBECUING BRINGS**

CHARCOAL

Compact enough for patios but big enough to feed a hungry crew, the Masport Charcoal barbecue is the perfect partner for summer dining

- Gloss vitreous enamel grill body has a high resistance to corrosion, does not discolour and is easier to wipe down
- Gloss vitreous enamel hood with adjustable ventilation system for improved air circulation
- Folding side tray for easy storage
- Ash collector for safe and clean ash collection
- Single dial for rack and heat adjustments
- Wheels for easy transportation
- Vitreous enamel used on cookware and charcoal grate
- Suitable for direct and indirect cooking
